**INVESTMENT MANAGERS' CHARGES**

The complete list of current investment charges for the Ibbotson Investment Trusts and Managed Investments as shown in this report are correct at the time of printing. These are subject to variation by the investment manager and the charges may be increased to include such costs as the GST.

**FUND NAME CHANGES**

1. Certain underlying investment managers and underlying Ibbotson trusts may charge performance fees. These fees are payable if the relevant investment manager meets specific investment performance targets. Performance fees are structured so that an investment manager's remuneration is linked to the investment return achieved over an appropriate benchmark index. Underlying investment managers' performance fees are typically between 10% and 30% pa of performance in excess of the relevant benchmark index, although they can be higher or lower. For trusts managed by Ibbotson which charge a performance based fee, the performance fee is currently 10.25% pa of performance in excess of the relevant benchmark and can be changed so long as it is within the maximum of 25% pa permitted by the relevant trust constitution. Where Ibbotson charges performance fees in the underlying Ibbotson trusts a sufficient number of units are redeemed in the trusts to fund payment of the performance fee. Any performance fees payable that are not covered by the management fee will be an additional cost to you. The method of charging performance fees (including the performance amount of the performance fee) may change in the future. Members will be notified via the monthly CT Performance Report (available via [www.asteron.com.au](http://www.asteron.com.au)) if performance fee arrangements change and result in the estimated performance fees exceeding the range disclosed.

2. Intech trusts name changed to Ibbotson trusts on 15 April 2010.

3. Tyndall Fixed Interest Fund name changed to Suncorp Australian Fixed Interest Fund and Tyndall Capital Guaranteed Fund name changed to Suncorp Guaranteed Cash Fund on 1 September 2011.
