

REINSTATEMENT APPLICATION

IMPORTANT: Reinstatement is not guaranteed

Reinstatement of a previous contract of insurance is generally only available within a limited timeframe (usually a maximum of 6 months) from the date your policy was cancelled and is not available for all products. We reserve the right to decline your application for reinstatement or offer reinstatement with altered terms and conditions. If your application for reinstatement is accepted, any exclusion and qualifying periods must be served again from the date of reinstatement, pursuant to the terms of the Product Disclosure Statement and Policy Document.

If TAL Life Limited (TAL Life) reinstates your policy or plan no claim payment will be made for any:

- Injury or death which occurred while your policy or plan was lapsed; or
- Sickness, including Terminal Illness, that became apparent, while your policy or plan was lapsed.

Your insurance cover will recommence when TAL Life agrees to reinstate your policy. There will be no premiums collected for the period from when your policy lapsed to when the policy was reinstated by TAL Life.

If reinstatement is not available or your application for reinstatement is declined and you wish to have insurance cover again, you will need to apply for a new policy.

Privacy

The ways in which your personal information is collected, used, secured and disclosed is set out in the current TAL Life Limited privacy policy, which is available at tal.com.au/privacy-policy, and is free of charge on request.

Duty to take reasonable care not to make a misrepresentation

About this application

When you apply for life insurance, we conduct a process called underwriting. It's how we decide whether we can cover you, and if so on what terms and for what premium.

We will ask questions we need to know the answers to. These will be about your personal circumstances, such as your health and medical history, occupation, income, lifestyle, pastimes, and current and past insurance. The information you give us in response to our questions is vital to our decision.

If your application is accepted, the Policy will be a consumer insurance contract.

The duty to take reasonable care

When applying for insurance, there is a legal duty to take reasonable care not to make a misrepresentation to the insurer before the contract of insurance is entered into.

A misrepresentation is a false answer, an answer that is only partially true, or an answer which does not fairly reflect the truth.

This duty also applies when extending or making changes to existing insurance, and reinstating insurance.

If the duty is not met

If the duty is not met, this can have serious impacts on your insurance. Your cover could be avoided (treated as if it never existed), or its terms may be changed. This may also result in a claim being declined or a benefit being reduced.

Please note that there may be circumstances where we later investigate whether the information given to us was true.

For example, we may do this when a claim is made.

Guidance for answering our questions

You are responsible for the information provided to us when applying for insurance. When answering our questions, please:

- Think carefully about each question before you answer. If you are unsure of the meaning of any question, please ask us before you respond.
- Answer every question.
- Answer truthfully, accurately and completely. If you are unsure about whether you should include information, please include it.
- Review your application carefully before it is submitted. If someone else helped prepare your application (for example, your adviser), please check every answer (and if necessary, make any corrections) before the application is submitted.

Changes before your cover starts

Before your cover starts, we may ask you whether the answers to the questions that you have given when applying for insurance remain accurate or whether there has been a change to any of your circumstances. As any changes might require further assessment or investigation, it could save time if you let us know about any changes when they happen.

If you need help

It's important that you understand this information and the questions we ask. Ask us or your adviser for help if you have difficulty understanding the process of applying for life insurance or answering our questions.

If you're having difficulty due to a disability, language, or for any other reason, please let us know – we're here to help and can provide additional support.
